

MISSION

The mission of Blessed Sacrament Catholic School is to foster the Catholic Identity of its students and to educate according to high academic standards, enabling students to become contributing members of a diverse society.

HISTORY

Blessed Sacrament School was established in 1939 with three classrooms and two Sisters of Mercy as the faculty. Today, we enjoy both lower and upper schools with an enrollment of approximately 375 students and a faculty and staff of over 40 dedicated, caring and highly-skilled educators.

ACCREDITATIONS

Blessed Sacrament Catholic School is the ONLY educational institution in the region to have achieved dual accreditation by both SACS and FCC.

the power of Faith

Teaching children to believe in themselves creates a life-long confidence for success.

the wisdom of Experience

Rooted in our faith in God and Catholic principles, students at Blessed Sacrament develop a unique belief system – a trinity of strength powered by parents and family, teachers, and the students themselves.

the strength of Knowledge

With more than 500 years of cumulative education and teaching experience, the faculty and staff of Blessed Sacrament is a group of educators that everyone can believe in.

Blessed Sacrament Catholic School

At Blessed Sacrament students participate in rigorous academics where they learn to believe in the faculty's quest for excellence and are taught the lifetime skills necessary for successful learning.

An enhanced and accelerated curriculum, a safe and nurturing environment, and a faculty with a passion for teaching and a compassion for children have created an atmosphere that parents, students and teachers have come to believe in for more than sixty-five years. These are just a few of the many reasons Blessed Sacrament is the ONLY educational institution in the region to have achieved dual accreditation by both the Southern Accreditation of Colleges and Schools (SACS) and The Florida Catholic Conference (FCC).
